

## Moodle – Sending Messages to a Group

From the Navigation block, choose My Courses > Choose your course > Participants >

User picture	First name / Surname	Email address	City/town	Country	Last access ↑	Select
	Joe Behymer	Joe.Behymer@mywccc.org			9 secs	<input type="checkbox"/>
	Student 1	student.1@apps.mywccc.org			7 days 15 hours	<input type="checkbox"/>

You can select the desired users by placing a check in the Select box or use the “Select all” button at the bottom of this page.

Under the heading “With selected users”, choose Send a message.

Compose your message as normal.
